Difficulty: Easy

Cook Time: 1-30 min

This fantastic olive oil works perfectly as a condiment and as an ingredient in many dishes including Mario Batali's 5 Autumn Vegetables With Goat Ricotta and Pumpkinseed Oil. Plus, its easy to make.

Ingredients

2 Bunches of Fresh sage, leaves only
 1 cup extra virgin olive oil, chilled for one hour
 Kosher salt, to taste

Cooking Directions

Place the sage leaves in the bowl of a food processor and pulse to form a coarse puree. With the motor running, slowly drizzle in the olive oil. When all of the olive oil has been incorporated and the mixture is a uniform green, pass through a fine sieve; discard the solids. Season with a bit of salt.
