A simple green salad with a great dressing is the perfect accompaniment for your barbecue.

A couple of more Brazilian songs to enjoy with your barbecue. The first song is by the late Elis Regina who is considered by many Brazilian music legends one of the best female singers Brazil has ever had. The song is a classic bossa-nova by notorious composer Tom Jobim who also sings with Elis. The second song is a beautiful samba called *O que é o amor* (What is love) interpreted by her daughter Maria Rita who was lucky enough to inherit the beautiful voice tone and talent of her mum.
