GOES User Registration - User Information

This is your GOES User ID. Please record or print this ID and store it in a safe place, as **you will need this ID every time you log into GOES.**

This completes the registration process. In order to file an application for a Trusted Traveler Program, you will need to log in to GOES and submit a completed application. If you are a current Trusted Traveler cardholder and you provided your Membership Number during registration, you should have access to your account.

User ID: **suebstewart**
